(y) The four Divisions of the Parish of St. Matthew, Bethnal Green, (Church Division, Green Division, Hackney Road Division, and Town Division) hitherto made distinct returns; the great increase of Population (16,342 Persons) is attributed to an influx of Irish and other Labourers, caused by the building of the St. Catherine's Docks and improvements in the City, which have driven an immense number of poor into this and other adjacent Parishes, whilst the Parish of St. Botolph without Aldgate, and the Precinct of St. Catherine by the Tower, have decreased (2,976 and

2,552 Persons respectively) from an opposite cause.—(z) In the Parish of Bromley, upwards of 500 Labourers, 20 years of Age, are employed in the East and West-India Wet-Docks, and other adjacent Dock Yards.—(a) It is stated in the return of Christ-Church, Spitalfields, that fewer looms are now worked than formerly, to which cause the decrease of Population (701 Persons) is attributed.—(b) In the Parish of St. Paul's Shadwell, nearly 200 Houses have been demolished, notwithstanding which the Population remains the same.—(c) The Parish of St. Leonard, Shoreditch,

the absence of Families from Town.—(c) The Population of St. James's Palace is usually included in that of the Parish of St. Martin-in-the-Fields, which is still acknowledged as the Mother Church of the Palace, although now separated from it by the formation of the intervening Parish of St. James's.—(d) Seven hundred and eighteen Houses have been built since 1821 in the Parish of St. John, to which cause the increase of Population (5,813 Persons) is ascribed: the Prisoners in the Millbank Penitentiary are included in the Return, of whom 348 Males are employed as Tailors and Weavers.—(e) The Liberty of St. Martin-le-Grand, which for most purposes was deemed part of Westminster, although locally situate in the Parish of St. Leonard, Foster-lane, forms part of the site of the New Post Office, so that all the Houses and Inhabit-

ants have disappeared.—(f) The Area of Privy Gardens, Whitehall, the Close of the Collegiate Church of St. Peter, and the Verge of the Palace of Whitehall are included in that of the Parish of St. Margaret, Westminster.—(g) The Strand improvements have caused a decrease of Population (4,282 Persons) in the Parish of St. Martin-in-the-Fields; the Area of St. Martin's includes that of the Verge of St. James's Palace, and the Palace itself.—(h) The entire Parish of St. Mary-le-Strand (including the Duchy of Lancaster, Holborn Division of Ossulstone Hundred) contains 2,462 Inhabitants, and 16 Acres.—(i) The Population of Privy Gardens and Whitehall, reputed Extra Parochial, is improperly included in the Return of St. Martin's Parish; the Area is included in that of St. Margaret's, Westminster.
